

StillBleu

ANTHROPOSOPHIC & INTEGRATIVE MEDICINE

Integrative care, time to listen.

Gentle medical care for health, vitality and balance.

At L'Aubier, Montézillon

A THOUGHTFUL WAY TO CARE

THE CORE PRACTICE

Anthroposophic external therapies

A gentle, rhythmic approach using massage, warmth, oils, wraps and movement to support the body's own regulation.

COMPLEMENTARY THERAPIES

Other therapies are added gently, tailored to your individual needs.

- *Acupuncture*
Individual support for regulation and energetic balance.
- *Sound-based therapies*
Sound and attentive listening for rest and awareness.
- *Integrative guidance*
Lifestyle, rhythm, rest and movement for well-being.
- *Yoga and breath awareness*
Conscious breathing, stability and inner calm.
- *Qi-based therapies*
Reiki and Pranic Healing with light touch and attention.
