

Integrative care, with time to listen.

A thoughtful medical practice offering gentle therapies for health, vitality and inner balance.

At L'Aubier, Montézillon

THE CORE PRACTICE

Anthroposophic external therapies

The heart of StillBleu: rhythmic massage, touch, warmth, oils, compresses, wraps and therapeutic movement, chosen to support the body's own regulation.

COMPLEMENTARY APPROACHES

Added only where appropriate, after individual assessment, to complement the core work.

● **Acupuncture**

Individual support for regulation and energetic balance.

● **Yoga and breath awareness**

Conscious breathing, stability and inner calm.

● **Sound-based therapies**

● **Qi-based therapies**

Every consultation begins with listening. Together, we find a thoughtful path for the whole person, never just the symptom.
